Shaded areas indicate allowed zones in each designation

The table above is located in Chapter 1: Land use Element of the Comprehensive Plan. The yellow highlighted areas indicate those zones that would no longer be appropriate in the comprehensive plan. This revision would require the mixed use district zone (MX) to apply the mixed use (MU) designation in the comprehensive plan. The table revision includes the creation of an employment center (EC) designation for office campus and business park zones.

 Indicates those zones that would no longer be appropriate.
